

Charter of Trust for paper drinking straws

Trustmark Company Registration Number

Upon signing the **Charter of Trust** for paper drinking straws, a signatory receives a unique registration number from 360° Foodservice. This number is always included when they use *Trustmark* on their products and communication. By scanning the QR Code present on the *Trustmark*, stakeholders can easily verify if the company in question is indeed a full-fledge signatory of the **Charter of Trust**. Find more information on the initiative here: www.qualitystraws.eu.
